

Checking Out Your Team Scientist Conference Request Form

Thank you for your interest in having a US Ice Drilling Program scientist or engineer interact with your students, in person or via a videoconference connection. These sessions are an integral component of the "Checking Out Your Team" activity and are offered subject to the availability of a scientist mentor. Due to the relatively small ice core research population and the demands of the Arctic and Antarctic field seasons, we will make every effort but may not be able to fulfill your request.

Please fill out the requested information and fax to Linda Morris at (603 646-9795) or email to linda.m.morris@dartmouth.edu.

Teacher Name: _____ Personal Phone #: _____

Teacher Email Address: _____ School Name/State: _____

Grade Level/Subject Area(s) of Student Audience: _____

Number of Students in Class/Section: _____ Length of Class Period: _____
